

Technical drawing of a FAGOR EXAA-570 machine guide assembly. The drawing includes a side view at the top showing a curved machine guide with a height of 13.1 and a surface finish of Ra 3.2. A top view in the center shows the assembly with dimensions: 25, 25, 46, and 106 (CM+106). It also shows a 30-degree chamfer and a 0.1G surface finish. A detail view on the left shows a 40x14x3 block with M3L<4.5 screws. A detail view on the right shows a 19x12 block. A bottom view shows the 40x14x3 block with a 46x14x3 base. A note indicates 'Code start value: 100mm'. A table at the bottom right provides technical specifications and a revision history. The FAGOR logo is present on the assembly and detail views.

CM = Curso medición
CM = Measuring length
G = Guía máquina
G = Machine guideway
